

The **STUART DEAN COMPANY**

Founded in 1932 and rooted in many decades of work with thousands of satisfied customers across the US and internationally, the Stuart Dean name is synonymous with providing high-quality service in **restoring & maintaining Metal, Stone, and Wood surfaces, together with Façade treatments for buildings of all ages, shapes, and sizes.**

Our services are used by prominent **education** and **healthcare** facilities, notable **commercial** & **residential real estate** companies, household names in **retail & hospitality**, and many more.

With a deep history and an unmatched passion for preserving architectural heritage and enhancing structural longevity, we specialize in bringing **new life to historic and modern** structures. Today, we have become a **leading** company with restorative and maintenance solutions for architectural surfaces and features.
